

## **Dr Steve Morgan**

D.Psych (Forensic)

Steve Morgan is a Registered Psychologist in Queensland and New South Wales, with extensive experience in working with difficult clients – in psychiatric institutions, corrective institutions and also in Universities.

He has been in private forensic practice over the last 8 years. This has also involved the provision of specialised training events for a range of organisations, including the Queensland Government Youth Suicide Prevention Strategy, Queensland Community Services and Heath Industries Training Council, Central Queensland University, Australian Customs Service, the Department of Veterans Affairs and the Vietnam Veterans Counselling Service, Queensland. He was also appointed to the Queensland Community Corrections Board (2003 - 2006).

Steve was appointed to a panel of expert training providers for the Australian Public Service Merit Board in Canberra (2002 - 2006). This was for the provision of state-wide and national training on mental health, substance abuse and communication skills based topics for Federal Government personnel.

AHI Workshops delivered by Steve include:

- Working with Complex and Demanding Clients
- Negotiating and Resolving Conflict with Clients
- Working with Clients Who Have Drug and/or Alcohol Dependency
- Effectively Engaging Customers
- Housing Needs Assessment Skills Training
